

## Signposting and Referral Policy

POLICY DETAILS	
<b>Policy Category:</b>	Student Support
<b>Version Number:</b>	V1
<b>Approving Authority:</b>	Results Consortium Executive Team
<b>Approval Date</b>	28 January 2026
<b>Date Reviewed:</b>	New Policy
<b>Date of next review:</b>	28 January 2027
<b>Author:</b>	Quality Coordinator
<b>Owner (if different from above):</b>	Principal
<b>Version History:</b>	New Policy
<b>Related Policies / Procedures</b>	Information, Advice and Guidance (IAG) Policy Admissions Policy Student Support Policy Attendance and Engagement Policy Equality, Diversity and Inclusion Policy Reasonable Adjustment and Fair Access to Assessment Policy Complaints Policy Safeguarding Policy
<b>Effective Date:</b>	28 January 2026

## 1. Purpose

- 1.1 This Policy sets out the College's approach for consistent and effective signposting and referral to internal and external support services.
- 1.2 It ensures applicants, students and graduates access timely and appropriate support to address academic, wellbeing, engagement, employability and personal needs.
- 1.3 The Policy supports compliance with the Office for Students (OfS) regulatory framework, the UK Quality Code for Higher Education and with the Matrix Quality Standard for Information, Advice and Guidance Services.

## 2. Scope

- 2.1 This Policy applies to all higher education applicants, enrolled students and graduates.
- 2.2 It applies to all staff involved in admissions, academic delivery, student support and employability.
- 2.3 It covers signposting and referral to academic support, financial guidance, wellbeing, safeguarding and employability support.

## 3. Definitions

**Signposting:** The provision of clear information directing an individual to appropriate support services or resources.

**Referral:** A formal process through which an individual is connected to an internal or external support service for targeted assistance.

**Internal Support Services:** Support provided by Results Consortium, including academic support, student support, employability and wellbeing services.

**External Support Services:** Specialist services delivered by third-party organisations, including financial advice, immigration advice, health and mental health services, safeguarding agencies and careers services.

## 4. Roles and Responsibilities

Role	Key Responsibilities
Senior Leadership	Provide oversight and ensure appropriate resourcing of signposting and referral arrangements
Academic Teams	Identify students requiring support and initiate signposting or referral
Admissions and Student Support Staff	Provide accurate information, initiate signposting, referrals and monitor follow-up
Careers and Employability Team	Signpost and refer students to employability and external careers services
Quality Assurance	Monitor effectiveness, compliance and evidence for review and inspection

## 5. Procedure

### 5.1 Identification of Need

Support needs are identified through admissions outcomes, interviews, induction activity, attendance and engagement monitoring, academic review points, disclosures or self-referral.

### 5.2 Signposting

Clear information is provided on available internal and external support services and access routes. Signposting is documented where appropriate to support continuity and follow-up.

### 5.3 Referral

Where signposting alone is insufficient, referral to appropriate internal or external services takes place. Referrals are made with the individual's knowledge and consent, except where safeguarding obligations apply. Information shared is limited to what is necessary to enable support.

### 5.4 Embedded Signposting and Referral Practice

Signposting to IAG services takes place where applicants or students do not meet entry requirements, experience academic or engagement concerns, or require support to make informed decisions about progression. Referral routes may arise from admissions decisions, interviews, induction, engagement monitoring or academic review points. Where formal referral is required, this is recorded and followed up.

### 5.5 External Referrals

External referrals are used where specialist support is required, including financial advice, immigration guidance, mental health support, safeguarding and careers advice. Individuals receive clear information on the purpose of the referral and any actions required.

### 5.6 Recording, Confidentiality and Data Protection

Signposting and referral activity is recorded. Personal data is processed in accordance with UK GDPR and the Data Protection Act 2018. Confidentiality is maintained, subject to safeguarding and legal requirements.

## 6. Role of Admissions Department in Signposting and Referral

6.1 Admissions staff identify applicants requiring academic, financial and welfare support during enquiry, application and enrolment stages. Support is not limited to preliminary stages; students are supported throughout their learning journey.

6.2 Applicants who do not meet entry requirements are signposted to alternative study routes, other course options or external education pathways.

6.3 Admissions staff refer applicants to relevant departments, including Student Support, Welfare services, academic teams, Registry or Employability, where additional guidance is required.

6.4 Admissions signposting and referral activity is recorded to support continuity and audit requirements.

## 7. Role of Academic Teams in Signposting and Referral

7.1 Academic teams identify early indicators of academic risk, disengagement or support need through attendance, assessment performance and student engagement.

7.2 Academic staff initiate referrals to student welfare and academic support teams, welfare, or employability team where appropriate.

7.3 Academic teams provide subject-specific guidance on progression, assessment requirements, study planning and career pathways.

7.4 Academic teams contribute to monitoring referral outcomes through progress reviews and student support discussions.

## **8. Student Welfare and Academic Support**

8.1 Student welfare and academic support teams receive referrals relating to wellbeing, financial hardship, safeguarding concerns and personal circumstances affecting engagement or performance.

8.2 Academic support includes study skills development, academic writing support, assessment guidance and targeted intervention for students at risk of underachievement.

8.3 Students identified as requiring welfare or academic support are referred promptly to ensure continuity of care and minimise disruption to learning.

8.4 Engagement with welfare and academic support services is monitored to support retention, progression and service evaluation.

## **9. Role of Career and Employability Team in Signposting and Referral**

9.1 The Employability Team provides guidance on career planning, job search, CV development, interview preparation and placement readiness.

9.2 Students are referred to employability support where progression, placement or graduate outcome support is required.

9.3 Employability teams signpost students to external careers services, professional networks and labour market resources.

9.4 Employer engagement activities are used to support work experience, placements and graduate opportunities.

9.5 Employability referral outcomes are monitored to support progression and graduate destination tracking.

## **10. Equality and Accessibility**

10.1 Signposting and referral processes are inclusive and accessible.

10.2 Reasonable adjustments are made in line with the Equality Act 2010 and the Reasonable Adjustment and Fair Access to Assessment Policy.

## **11. Safeguarding**

11.1 Safeguarding concerns are escalated immediately in line with the Safeguarding Policy.

11.2 Confidentiality does not override safeguarding or legal obligations

## **12. Monitoring and Review**

12.1 Signposting and referral activity is reviewed annually.

12.3 Monitoring draws on referral data, learner feedback, engagement and progression outcomes.

12.4 Review outcomes inform service improvement and staff development
